Dear editor,

Please use this sample as a guide for preparing your letter. Please read all of the following manuscript preparation instructions carefully and in their entirety. The manuscript must be in good scientific American English; this is the author's responsibility. All files will be submitted through our online electronic submission system at <https://mc03.manuscriptcentral.com/scis>.

*More information.* The examples at the bottom of the .tex file can help you when preparing your manuscript. We are appreciate your effort to follow our style [1, 2].

**Acknowledgements** This work was supported by Na-

tional Natural Science Foundation of China (Grant Nos. 00000000 and 11111111).

**Supporting information** Appendix A. The supporting information is available online at [info.scichina.com](http://info.scichina.com) and [link.springer.com](http://link.springer.com). The supporting materials are published as submitted, without typesetting or editing. The responsibility for scientific accuracy and content remains entirely with the authors.
